YACHTS SINCE 1964  HANDCRAFTED IN THE USA

YOUR STYLE.

With our next generation design comes the opportunity to incorporate your preferred style.

Springing from a proven platform, the new Westport 125 | 38M is conceived from stem to stern with efficiencies and amenities to suit your onboard lifestyle. Whether your style is traditional, transitional, modern or contemporary, the options for design customization are now endless.

Step aboard Your Westport 125 — designed to your style, built to our exceptional standards.

OUR CRAFTSMANSHIP.

As the largest yacht builder in North America, Westport’s expertise in yacht building and design is unparalleled.

From exquisitely curved joinerwork to exacting stone detailing and inlays, our craftsmen are exceptionally skilled at creating an interior that meets any design spec.

Our in-house design team will work with you to create your preferred interior or will liaise with your preferred designer to execute your vision. The Westport 125 | 38M interior layout is designed to enhance any style.
